Hi Folks, and to all our friends from near and far!

I'm Chuck Godwin welcoming you to the 1997 Regatta. Here we are in our 103rd year celebrating the theme "Our Beginning on the Waterfront".

This year marks a unique joining into one entity all the community groups that have been responsible for putting on the Regatta for over 100 years. The merging of talents from the Astoria Regatta Association, The Anchor Club and the Astoria Regatta Hosting Association helps to create a wonderful Regatta for the entire family.

We are also extremely proud to host four Canadian Naval Vessel that will be visiting the Regatta. Be sure to take the opportunity to tour the ships and greet the sailors while they are here in Astoria.

You know folks, with sailboat races, the twilight boat parade, a classic car show, a great carnival, the great land parade, fireworks over the water, and much, much more; there is something for everyone in our five days of festival and fun.

Hope you'll join us -- see you there!

## 1997 Regatta Button

A New Look for a New Era

Earlier this year the Astoria Regatta Association became a brand new organization with the merging of the Regatta Hosting Association, the Anchor Club and the Astoria Regatta Association.

With many changes taking place, a new style button was also adopted this year. A cloisonné style pin, designed by Eric and Chuck Savage, is the first in a series of collectible Regatta buttons. Each year the Regatta's theme is different, and the pin for that year depicts the theme for that year. With "Our Beginning on the Waterfront" as our theme this year, what a perfect time to introduce a new style in our theme pin, and what a perfect selection for the first in a series of many more to come.

For a donation of \$3.00, you can purchase a 1997 Regatta button from any Regatta member, at the door of the Elks ballroom before coronation, at the gate to Regatta Square, Chris' News, Andrew and Steve's Restaurant, or the Finishing Touch

Please show your support for this very worthwhile Scholarship program by purchasing your Regatta button today!

## CELLULAR ONE MAJOR SPONSOR OF EXPANDED REGATTA '97

Astoria, Oregon...Chuck Godwin, President of the 1997 Astoria Regatta Association, announced recently that Cellular One has entered into an agreement with the Astoria Regatta Association to become the title sponsor of this year's Regatta Square. Cellular One wanted to ensure that this year's festival, held at the Port of Astoria's Pier 2, was bigger and better than ever and would have something for people of all ages to participate in and enjoy.

The year's Cellular One Regatta Square includes a 200 to 300 classic car show, a larger carnival, U.S. and Canadian Maritime Ships, a large indoor Arts and Crafts exhibition, dancing beer-garden and a variety of entertainment. Seven bands will provide music Friday evening through Sunday. A bingo game will be held for the first time on Sunday as well. In addition to the land entertainment, three yachts races will occur over Regatta weekend as well as a Twilight Boat Parade Saturday evening.

"We are extremely excited with the 1997 Regatta and feel the community will find this year's event to be truly an entire family activity," boasts President Godwin. "With the extremely generous support of Cellular One, we are able to raise the quality and quantity of the entertainment. Hopefully the entire North Coast will come and enjoy the oldest festival on the West Coast," adds Godwin.

Jim Morgan, Cellular One's market manager for the North Coast, joins President Godwin in urging all North Coast residents to attend the Regatta. According to Morgan, "After learning more about the history of the Regatta and its long tradition as an integral part of the culture of this community, we couldn't say no to getting involved. The organizing committee is widely recognized as putting on one of the best festivals in the Pacific Northwest. We're proud to be a part of it, and know the community is too!"

This year's 103rd Regatta is August 6 - 10. For more information, contact Debbie Lake at 325-0910.

Some diversions in his life include owning Car-Pet Green Landscaping; raising registered Angus cattle, being a substitute dad and horse transporter with 4-H Horse Clubs, as well as being a great fan. ## YOUNG PRINCESSES LEARN TO BE AMBASSADORS

The 1997 Regatta Court Princesses are composed of junior class members from the four local high schools. This is a departure from the practice of years past, when senior girls in High School made up the Regatta Court. Early fears that sixteen to seventeen year olds would be too young to deal with the pressures, responsibilities and heavy travel demands of Regatta Princesses. "Not so!" says Regatta Court Chaperone Helen Sorkki and Court Escort Dick Garner. "These young women have met every challenge that has come their way and performed admirably," said Helen Sorkki. "They are great ambassadors for the Regatta Association and for the City of Astoria," says Garner.

Research for the girls' speeches included interview with the Executive Director of the Port of Astoria, Jonathan Krebs; Port Commissioner, Robert Eaton; Professor Emeritus of OSU Seafood Laboratory, Duncan Law; Historian and former Horse Seiner, Robert Hoagland; Martha Dahl, of Clatsop Historical Society and Anne Witty, Curator for the Columbia River Maritime Museum. Interviews with Grandmothers and other knowledgeable sources, along with many trips to the library, completed the preparations. The speeches are titled: Waterfront Activities; The Butterfly Fleet; Horse Seiners and Canneries; and Astoria's Future on the Waterfront.

The Court has spoken to numerous Civic organizations around the area. They also perform in nineteen parades, some as far away as Leavenworth, Washington, and as close as Warrenton, Oregon. The heavy travel schedule is used to attract as many visitors to Astoria and the surrounding area as possible. Coordinating the Court's activities are Co-Chairpersons Maxine Dymond and Dea Helligso. The Wardrobe committee is made up of Irene Baltimore and Jackie Bodway.

## 1997 REGATTA SQUARE

The 1997 Regatta Square, sponsored by Cellular One, is slated to be the largest and most entertaining Regatta Square ever. This year's Square will take place entirely on Pier 2 at the Port of Astoria docks. Parking, which includes shuttle service, will be located on Pier 3.

The 1997 Cellular One Regatta Square opens at 4:00 pm Friday, although the carnival may open as early as Wednesday, weather permitting. Entrance to the festival requires a Regatta button, which costs \$3.00 and is good for the entire event. The Beer Garden and Pirates Den have a \$2.00 cover charge. The Square closes at 1:00 am each night.

This year's Square will include a carnival, a 300 member Classic Car Show, Maritime ships, Arts and Crafts Vendors, Dancing for all ages, Food and Beer Vendors and, of course, the Regatta's Pirates Den. Sailboat races can be observed from the grandstands at the end of Pier 2.

Bands will perform regularly during the festival. The band schedule is as follows:

Saturday, the Square opens at 10:00am and closes at 8:00pm. The famed Salmon Bar-B-Que is Saturday from 3:00pm-7:00pm. At 7:00pm, the Twilight Boat Parade will begin at Pier 2 and travel past the Maritime Museum. At 10:00pm, a Fireworks Extravaganza will take place out on the Columbia River. Excellent viewing can be had on the grandstands at the end of Pier 2. The Pirates Den and Beer Garden opens at 9:00pm and closes at 1:00am.

Eric Paulson, 1997 Astoria Regatta Association's Vice President and Parade Chairperson, announced recently that the Astoria Regatta Grand Land Parade will be taking an entirely new route this year.

The new route will begin at the John Warren Football Field and proceed WEST on Duane Street to 14th, traveling one block to Commercial Street, then proceeding, the opposite direction of everyday traffic, up Commercial to the Post Office. The route will turn onto Bond Avenue and proceed over Bond to the Doughboy Monument. At the Monument, the Parade will enter Marine Drive and travel one block to Bay Street, just west of Suomi Hall. The parade will turn right on Bay and end at the Fisherman Memorial Park. Disband will occur there.

"The entire community has worked together to make the new route possible. It took serious coordination with ODOT, the City of Astoria, the Police Department and local businesses. In addition, the Astoria School District was extremely supportive, allowing the bands to form on the football field as well as permitting use of locker rooms and bus parking area. Without the involvement of all local groups, the new route could not have come together," states Paulson.

"This will definitely be a learning year," adds Paulson. "We have attempted to minimize any inconvenience to drivers." Impact will occur on Commercial Street as well as a portion of Exchange, Duane and Bond. Residents on Bond will be asked to move their vehicles Saturday during the parade. Marine Drive will be turned into two-way traffic from 8th to 16th Streets, but beyond that, traffic will flow as usual. During the parade, 16th Street will be closed to downhill traffic at Irving, so local residents wishing to bypass the parade will need to travel over Irving to the East end of town and exit by Astor School. The Parade will pause at various intervals at the Doughboy Monument to keep traffic on Marine Drive from backing up too far. Traffic is expected to be stopped for 10-15 minute intervals.

"Since this is only the second time the parade route has gone in this direction, citizens will need to be well informed. The last time the parade traveled west rather than east was when the Astor/Megler Bridge was opened back in 1966," adds Paulson.

The new route will increase the length of the parade to 1.6 miles, more than tripling last year's length. Our parade was one of the shortest parades around," confirmed Paulson. "Now with the new route, we hope to attract more floats, bands and other entries. We've already confirmed five bands as well as seven floats. It should be a great parade."

The 1997 Astoria Grand Land Parade will take place Saturday, August 9th, at 12:00 noon.

Any person or organization interested in being in the parade is asked to contact Eric Paulson at 503-861-2288 or 325-5829.

## THE MAKING OF OUR FLOAT

Many in the Astoria area may not realize that our Astoria Regatta float is designed and built locally and is truly a Northwest ambassador during the summer months. It is featured in many community celebrations and parades other than our great Regatta weekend.

Volunteer Regatta Association members and the Regatta Court spend many weekends attending community events as far away as Leavenworth, Washington for their Autumn Leaf Festival.

The crew does double duty as they set up the float, transported by special trailer, then join the festivities....all the time promoting and inviting the local throng to come to Astoria anytime....especially during the Regatta Weekend.

Chuck Godwin, this year's Regatta President, designed and did much of the construction on this year's Regatta float, following the theme of "Our Beginning on the Waterfront," and actually created a replica of the popular sail powered butterfly fleet fishing boat common on the Columbia at the turn of the century,

With the help of Chuck's wife Fran and many volunteers, the float became a reality in time for the "community event circuit" which started with the Daffodil parade in Tacoma.

The float "skeleton" nears completion at the port dock warehouse where it was constructed.

Chuck Godwin manages a smile as construction continues on the 1997 Regatta float.

## PARADE AFLOAT

The 1997 Regatta Twilight Boat Parade, sponsored by Englund Marine, is held Saturday night along the Astoria waterfront. The parade begins at 7:00 p.m. and is led by the Astoria Fire Boat, the Harry S. Steinbock, followed by the MV Shamrock who carries the Regatta Royalty. Every type of vessel is usually represented, from 17 feet long on up.

All vessels are invited to participate and decorations are encouraged. Application can be picked up at Tiki Charters or Englund Marine. Trophies are awarded for Best of Power, Best of Sail, Best of Classic, Best of Commercial and Queen's Choice. Winners also receive dinner for two, donated by local restaurants. Awards will be presented by the Regatta Court on Sunday at 12:00 noon at Regatta Square.

Reviewing areas for the parade are at Regatta Square and at the 17th street pier. An announcer will be at each location to talk about each vessel as it passes in review. The parade is also broadcasted live by KVAS from aboard the MV Shamrock.

For more information, call Karen VanCleave at 325-6612.

### Parade Marshal Named

Senator Mark Hatfield will be the 1997 Regatta Parade Marshal. Born on July 12, 1922, in Dallas, Oregon, he is the son of Dovie Odom Hatfield, a school teacher and Charles D. Hatfield, a railroad construction blacksmith. He and his wife, the former Antoinette Kuzmanich, were married in 1958. They have four children and five grandchildren.

Senator Hatfield graduated from Salem High School and earned a Bachelor of Arts degree from Willamette University in 1943. Following WWII, Senator Hatfield earned a Master's degree in political science from Stanford University in 1948, and later returned to Willamette University to serve as professor of political science and Dean of Students.

While teaching political science and serving as Dean of Students at his alma mater, Willamette University, Mark Hatfield began his political career in the Oregon Legislature in 1950. After two terms in the Oregon House of Representatives and two years in the Oregon Senate, he became the youngest Secretary of State in Oregon history in 1956 at age 34. He was elected Governor of Oregon in 1958 and became the state's first two-term governor in the twentieth century when he was re-elected in 1962.

In 1966, then-Governor Mark Hatfield was elected to the United States Senate as an outspoken critic of the war in Vietnam. In August of 1993, he became the longest serving U.S. Senator from Oregon, surpassing the previous record set by Senator Charles McNary.

Mark Hatfield's distinguished career in public service ended in early January, 1997, with his retirement from the United States Senate. In private life, he returns to the college classroom, serving as guest lecturer at George Fox University, Newberg, Oregon; Portland State University; and his alma mater Willamette University, Salem, Oregon. He continues a long-standing commitment to the medical research community through his association with the Lasker Foundation of New York. In addition, he serves on numerous local and national boards and commissions, including the FDR Memorial Commission, the Coalition for Christian Colleges and Universities, the Oregon Historical Society, the Oregon Symphony Foundation, the Oregon Health Sciences Foundation, Mercy Corps International, and the Omega Point Foundation.

## HISTORIC HOMES TOUR

"Victorian Homes of Uppertown" is the theme of the 1997 Astoria Regatta Historic Homes tour which will be held on Saturday, August 9, and Sunday, August 10, from 1:00 to 4:00 p.m..

Tickets for the self-guided tour will be on sale at the museums of the Clatsop County Historical Society on the days of the tour. The museums are: Heritage Museum, 1618 Exchange; Flavel House, 441 8th Street; and the Uppertown Firefighters Museum, 2986 Marine Drive. The \$7.50 ticket package includes admission for all five houses plus an illustrated program with a brief history of Uppertown. Children under 12 with adults are free.

The five houses include two Astoria Vernacular (plain) houses built around 1904 and three Queen Anne style houses built in 1888, 1892 and 1904. They include the Benjamin Young House bed and breakfast inn and the Gustav Holmes House (formerly known as the Collins House), built by wealthy owners of salmon canneries. Both are considered prime examples of Victorian architecture --- among the best in Oregon.

The houses this year are particularly related to the Regatta atmosphere. Four have fine views of the Columbia River, including one currently owned by a retired bar pilot featuring Oriental furnishings purchased while the family lived in the Far East. The fifth was once the home of John E. Johnson who carved duck decoys now highly prized by collectors. A walk through the flower garden is an additional pleasure. All the owners are friends of historic preservation and are pleased to share their homes with the public for the benefit of the historical society which will use the proceeds to continue to improve the museums.

The parade is free and anyone is welcome to join in. You may walk, ride a bike, pull a wagon or ride in a pedicab wearing your favorite costume. This is non-motorized vehicle event. At the end of the parade the Kiwanis will have treats for all the participants. It all takes less than an hour, but the kids will never forget it.

The Regatta court paints a pretty picture as they smile for the camera while awaiting the start of the parade in Long Beach. The girls form a lasting friendship as they participate in the community celebrations throughout the Northwest. ## QUEEN AUDREY'S FAREWELL

The year has drawn quickly to a close, and on August 6th I will hand the Regatta Crown down to someone new. We certainly kept busy this year, and as much as I enjoyed it, I admit I will be relieved to step aside and watch one of the wonderful girls on my court enjoy her reign as the 1997 Regatta Queen.

Looking back on all the festival activities I have participated in, I can honestly say I learned a little something from each one. I saw a lot of beautiful cities and met many interesting people. But the greatest thing I learned was definitely the importance of community spirit and of reaching out to neighbors here in the Northwest. It was great to return to the places I visited as a Princess, and see the same involved citizens; people dedicated to representing the best in their hometowns. They welcomed us back, treated us as one of their own, and we enjoyed celebrating tradition, summer and friendships together.

There are so many people I want to thank. First and foremost, I want to thank my family for their support and encouragement during the past two years. They backed me up through it all, and I love and appreciate them for it. Secondly, the Regatta Association has all my gratitude for giving the honor of representing them and this community as Princess and then as Queen. I want to thank my Admiral, Court Chairpersons, escorts, the wardrobe committee, and everyone else who accompanied the court both years; they were wonderful on the long trips, always going lengths to make sure we were comfortable and happy. Thank you for your friendships

and understanding. I also owe a debt of gratitude to my hometown of Seaside for their support. Several Seaside businesses placed an ad in the Signal last year, wishing me luck before coronation. No one asked them to, and I appreciated the supportive gesture more than they understood.

I'm also grateful for the friendships I established with the girls on my courts. My fellow princesses last year, Jennifer Osborn, Rhiannon Wiley, Kelly Klindt, and my 1995 Queen Rachel Tuve for showing me the ropes in the first place. We all had a great time together, and I missed them this year. To Jennifer, Carole, Sarah and Melissa: I feel privileged to have spent this year with you and I wish you the best, wherever your lives take you.

My involvement in the Regatta Association has given me a greater appreciation of the beautiful region we live in, and a deeper understanding of the happiness that can come from sharing with each other. I thank all whom I have had the opportunity to share with, and say good-bye, it's been great!
